

## Mount Kilimanjaro Climbing gears and camping equipments for hiring/ rental

Mount Kilimanjaro in Tanzania stands to be the only highest peak in Africa with an altitude of 5896 meters above the sea level. Other highest peaks nearby Mount Kilimanjaro with snow caps include Mount Meru and Mount Kenya. The changes of weather on the high altitude are the main reasons that climbers needs to have proper climbing gears and camping equipments.

This being the case parking list for mountain Kilimanjaro, Mount Kenya and Mount Meru in Tanzania and Kenya can be a challenging exercise. Please see our climbing gears and camping equipments below that are easily hired in our store for affordable price.

### Tips:

- On the lower land tropical weather condition dominates.
- Only 3 degrees south of the equator Mount Kilimanjaro is covered by snow and temperature can drop below freezing point.
